

## **Meat Market Rules**

Bottoms arrive between 16hr-17hr, one hour before the tops. They are completely naked except for shoes (preferably boots or sports shoes). Harnesses are allowed. They are given a hood which covers the entire head (except mouth) and must be kept on at all times (except during breaks).

Tops arrive between 17-18hr. They are preferably naked but may also wear jocks, underwear, sportswear, chaps or fetish wear (no street wear).

Bottoms may not refuse a top but must allow himself to be fucked or felt up by him. Bottoms are not allowed to move around the room, they must remain in their positions. Every time a bottom gets fucked by a different top he gets a mark. The bottom with more than 25 marks wins free entry to the next party.

Bottoms and tops may not change roles during the evening. Tops are not allowed to fuck other tops, bottoms are not allowed to fuck other bottoms.

Marshalls ensure safe sex and that the rules are obeyed. They look after the bottoms giving them drink and toilet breaks.

## **Safe Sex Policy**

Like all parties in Church, we want this party to be safe. However we realize that not all men can or will use condoms all the time. To keep this party as safe as possible we have the following rules: Bottoms with **white** hoods indicates that condoms **MUST** be used at all times. New condoms every time you fuck.

Marshals will check that fresh condoms are always used, however the final responsibility lies with the bottoms (their hands are free so we advise them to feel that condoms are being used when they are being fucked).

Anyone trying to fuck a bottom with a white hood without a condom will be removed and permanently banned from the party.

Bottoms with red hoods may get fucked without condoms. Red hoods cannot refuse tops who want to fuck them with condoms.
